

REMARK

The claims have been limited to utilizing 4,4 diphenylmethane diisocyanate, 2,4 diphenylmethane diisocyanate and polymeric MDI. The polyisocyanate, polymeric MDI is found on page 17, line 15, in example 23. Polymeric MDI is the name used in the art when referring to polymeric diphenylmethane diisocyanate. Claims 9 and 18 have been re-written into dependent claims. Claims 1, 7, 16, 17, 19 and 20 have been cancelled.

I request that the remaining claims be approved and that a Patent be issued.
